

BREEZY TOWN PIZZA

To our valued guests,

While the Delta variant has the potential to impact even those who are fully vaccinated, albeit with less severity, we feel the need to take a step to further ensure our space is used responsibly for the safety of our patrons, performers, staff, and the community as a whole.

Effective June 30th, we are requiring proof of vaccination to enter our establishment for any reason. Guests will need to provide proof of vaccination (card or photo of card) or a negative Covid 19 test results within 48 hours of entry. For those ineligible for vaccination due to age, we require that they remain masked while on site.

The Centers for Disease Control and Prevention and King County Health have issued recommendations to wear a mask while indoors, even if vaccinated. We ask that you abide by this recommendation.

While we continue to follow safe practices to protect the community we so deeply love and care about, we in turn hope you respect our decision to require vaccination.

Your friends,

Clock-Out Lounge & Breezy Town Pizza
